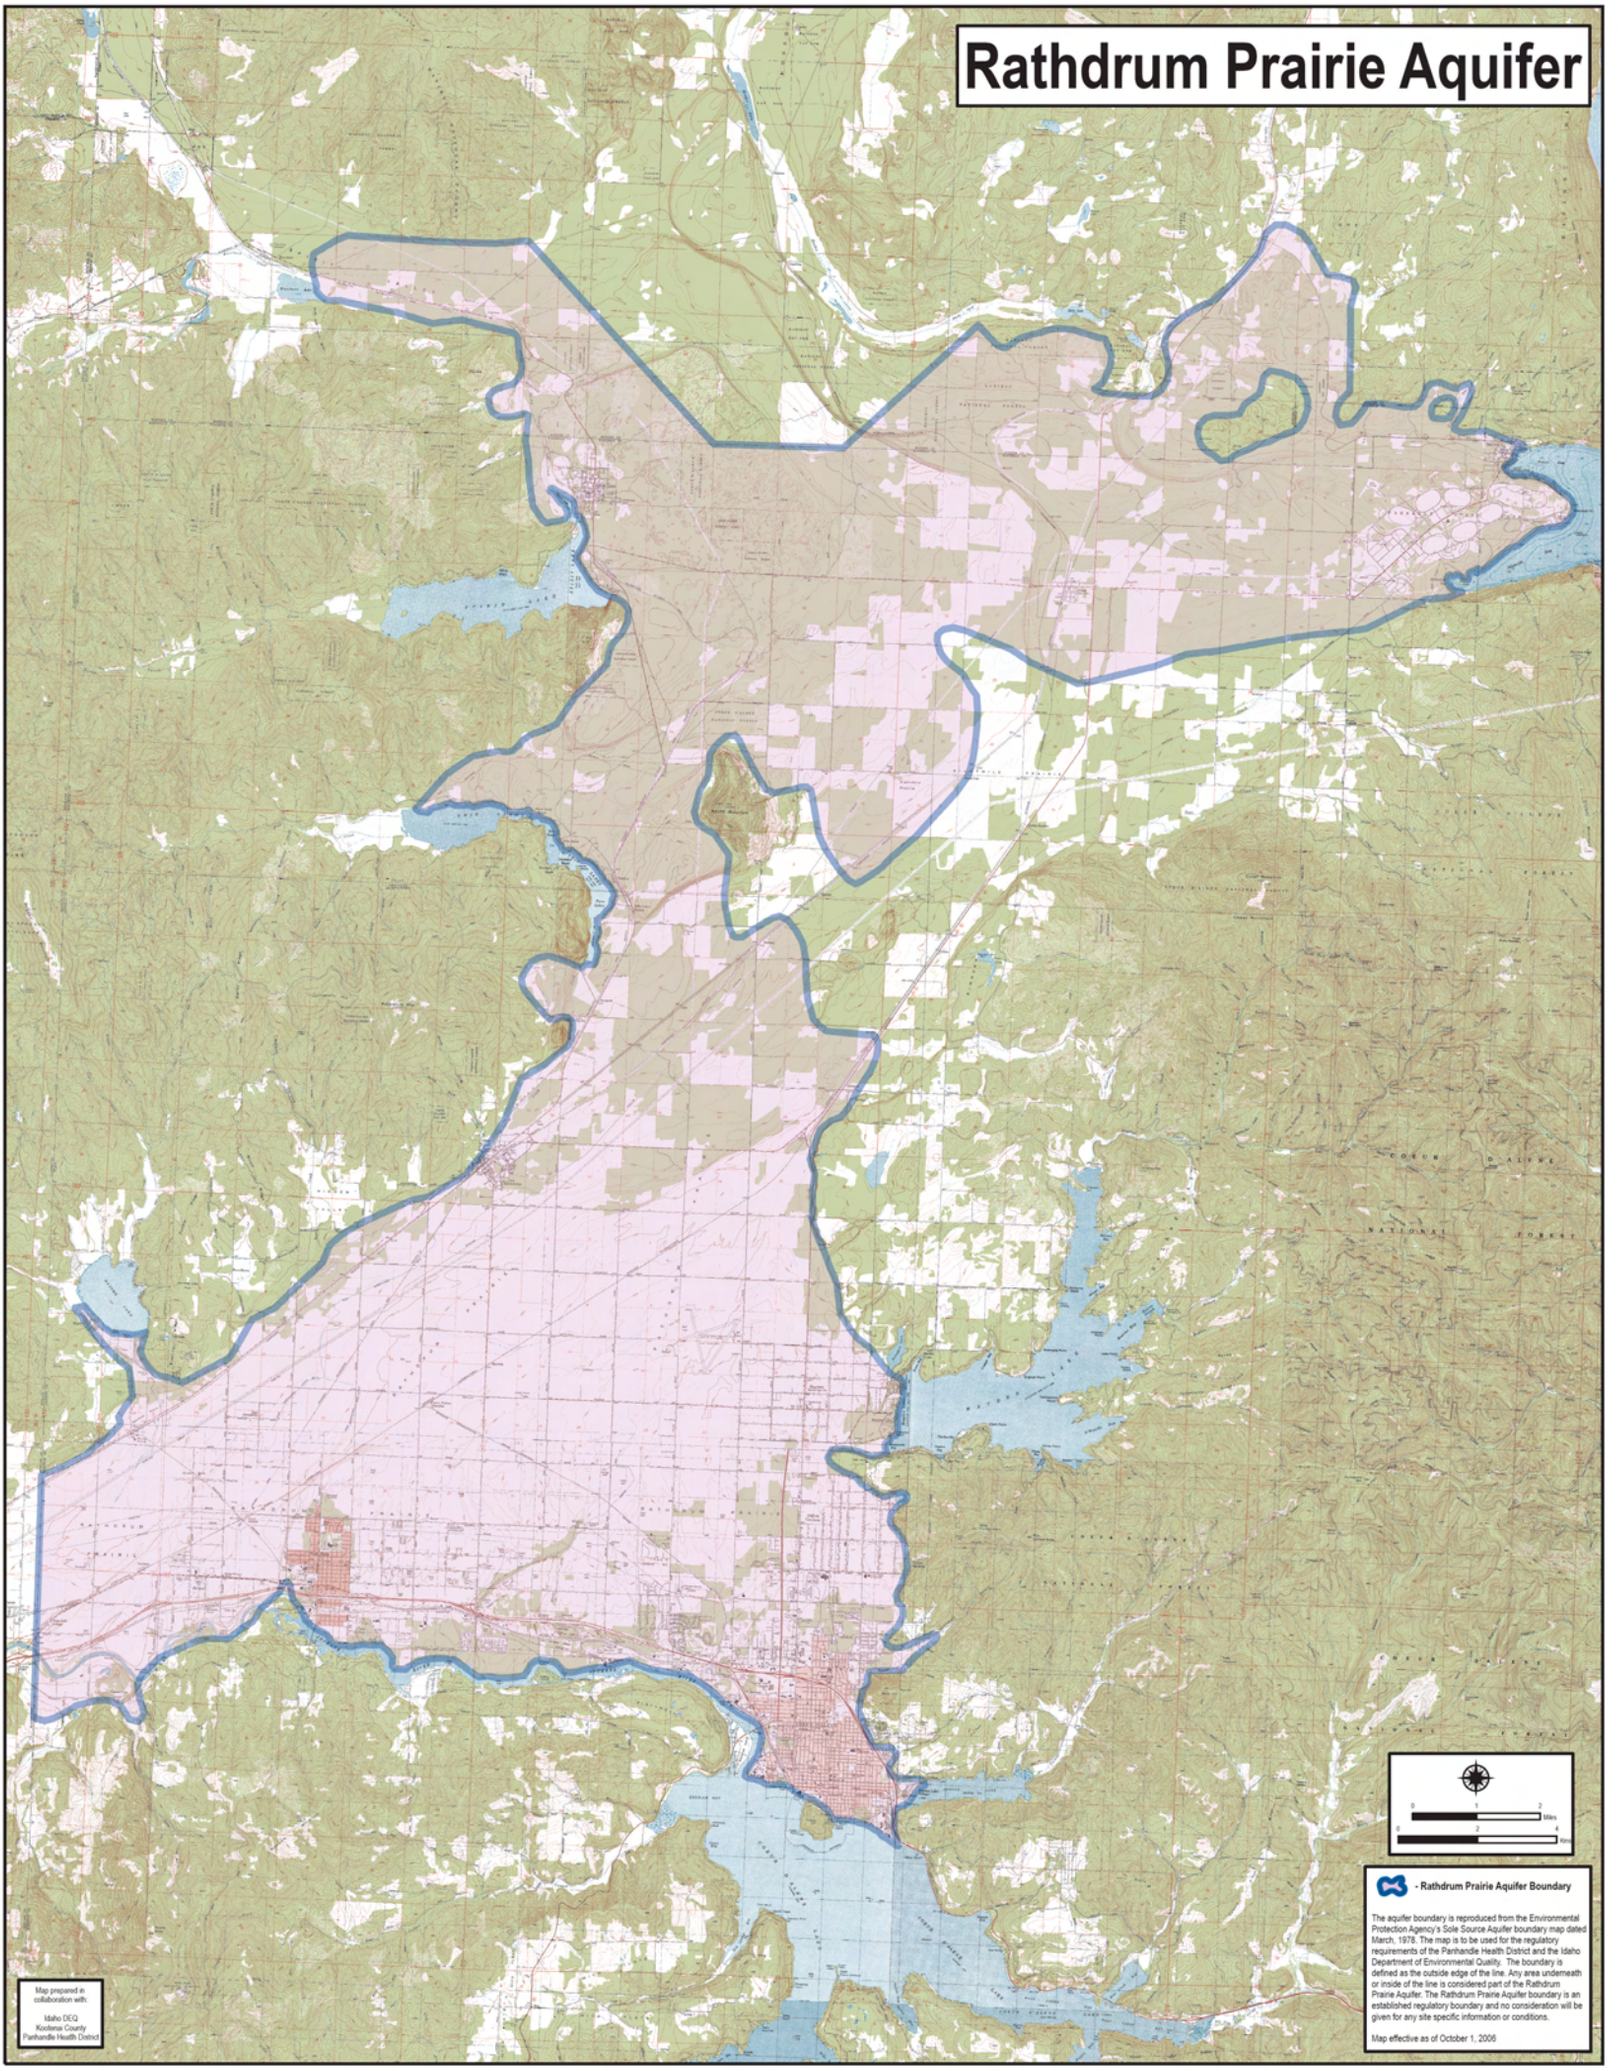
Rathdrum Prairie Aquifer



Map prepared in collaboration with:

Idaho DEQ
Kootenai County
Panhandle Health District

- Rathdrum Prairie Aquifer Boundary

The aquifer boundary is reproduced from the Environmental Protection Agency's Sole Source Aquifer boundary map dated March, 1978. The map is to be used for the regulatory requirements of the Panhandle Health District and the Idaho Department of Environmental Quality. The boundary is defined as the outside edge of the line. Any area underneath or inside of the line is considered part of the Rathdrum Prairie Aquifer. The Rathdrum Prairie Aquifer boundary is an established regulatory boundary and no consideration will be given for any site specific information or conditions.

Map effective as of October 1, 2006
