RE: Final finding of no significant impact determination for the City of Rexburg Drinking Water Improvement Project (DWL 1502)

Dear Mayor Woodland:

A draft finding of no significant impact (FONSI) was issued by the Idaho Department of Environmental Quality (DEQ) on June 2, 2015 for the City of Rexburg drinking water improvement project based on a careful review of the environmental information document prepared by Keller Associates.

The draft FONSI was published on June 9, 2015 in the *Standard Journal*, newspaper of record for the City of Rexburg. No comments were received during the 30-day public comment period following publication. Therefore, the record of decision for the City of Rexburg drinking water improvement project, a FONSI, is final.

This completes the environmental review of this project. Contact Willie Teuscher at the Idaho Falls Regional Office, (208) 528-2666, if you have questions regarding the project. For questions regarding the environmental review contact Ester Ceja at (208) 373-0113 or via e-mail at Ester.Ceja@deq.idaho.gov.

Sincerely,

A handwritten signature in blue ink that reads "Barry N. Burnell".
