RE: IPDES Effluent Limit Development Guidance (ELDG) and User's Guide Volume 2
comments

Dear Mr. Smith,

The City of Boise has been working closely with our municipal partners on reviewing and providing comments on the IPDES guidance documents. The City of Boise's comments are reflected in the comments submitted by the Association of Idaho Cities.

The City appreciates the opportunity to provide input for the IPDES program and looks forward to working with IDEQ on the City's new IPDES permits.

Sincerely,

Haley R.W. Falconer, P.E.
Environmental Division Senior Manager
